

Illinois Department of Transportation

Danville Main Street (US 136) from Pine Street to Collett Street

June 16, 2006

For the Week of June 18 to June 24, 2006

Duce Construction will continue to lay the stone base this week from the Elizabeth Street to the Norfolk Southern Railroad.

Concrete paving will continue.

The west half of Buchanan will be built, and will remain closed.

Bunge Milling is accessible by Lauhoff Street.

Traffic has been routed to the south side of Main Street from Collett to Jackson Street. There is one lane in each direction.

All businesses are accessible from either Main Street or from Van Buren Street. Van Buren Street runs parallel to Main Street one block north of Main Street.

Please use caution when driving in the work zone.

Please obey the 20 mph speed limit in the construction zone.

All left turns are prohibited except for Lauhoff and Buchanan Streets.

Moderate delays and congestion are expected this week.

For your safety, please stay out of work areas, and obey the sidewalk closed signs.

Please be aware that Danville Mass Transit might alter bus routes. Please contact them for more information.
